APRENDER A SER IGLESIA

Tras el pasaje de Mateo de la semana pasada con las Bienaventuranzas, hoy continuamos el Sermón de la Montaña de Jesús con sus imágenes de la sal, la luz y una ciudad. Jesús pasa de describir la identidad básica de la comunidad que ha reunido a considerar su impacto en el mundo. Quería que su comunidad no sólo reivindicara su identidad, sino que la viviera. Quería que su comunidad caminara con él, que aprendiera plenamente lo que esto podía significar.

Para nosotros, ser sal para los demás puede significar comprometernos y enriquecer la vida de nuestros vecinos. Ser luz puede significar iluminar y abordar los sistemas del mundo que sostienen los pecados sociales de la violencia, el racismo y las grandes desigualdades de riqueza y oportunidades. Ser una ciudad elevada puede significar mantener un alto nivel de transparencia, respeto y cuidado mutuo. Como los primeros seguidores de Jesús, se nos invita a recorrer el difícil y gozoso camino de aprender y reaprender a ser Iglesia.

LEARNING HOW TO BE CHURCH

Following last week's passage from Matthew with the Beatitudes, today we continue Jesus' Sermon on the Mount with his images of salt, light, and a city. Jesus moves from describing the core identity of the community he has gathered to considering its impact on the world. He wanted his community not just to claim its identity, but to live it out. He wanted his community to journey with him, to fully learn what this might mean.

For us, being salt for others may mean engaging and enriching the lives of our neighbors. Being light may mean illuminating and addressing the world's systems that sustain social sins of violence, racism, and vast inequalities of wealth and opportunity. Being a city set high may mean holding to high standards of transparency, respect, and care for each other. Like Jesus' first followers, we are invited to travel the difficult and joy-filled road of learning and re-learning how to be the Church.
