Embracing Our Role as Missionary Disciples

The 11th Sunday in Ordinary Time Year A shows how Jesus calls and sends His disciples. The Gospel tells how Jesus sees the crowds and feels compassion for them. He knows they need guidance and care. So, He sends His disciples to preach, heal, and help.

Jesus does not send them alone. He gives them the power to do His work. They do not need to rely on their own strength. They are called to trust in Him and share what they have received.

This mission is not just for the first disciples. It is for all Catholics. Everyone is called to share the good news. This does not always mean preaching. It can be small acts of kindness, prayer, or simply living a life that reflects Christ's love.

Sometimes, people feel unworthy or unprepared to spread their faith. But Jesus does not choose perfect people. He chooses ordinary people and gives them the grace to serve.

The 11th Sunday in Ordinary Time Year A is a reminder that faith is meant to be shared. God's love is not something to keep to oneself. It is meant to be given freely, just as it has been received. Jesus calls His people to be His hands and feet in the world. God continues to call His people to obedience, trust, and service. The 11th Sunday in Ordinary Time Year

A is a reminder that faith is not just about belief but also about action. God invites everyone to follow Him, share His love, and be a light to others.

Abrazando Nuestro Papel como Discípulos Misioneros

El 11.º Domingo del Tiempo Ordinario, Año A, muestra cómo Jesús llama y envía a Sus discípulos. El Evangelio cuenta cómo Jesús ve a las multitudes y siente compasión por ellas. Sabe que necesitan guía y cuidado. Por eso, envía a Sus discípulos a predicar, sanar y ayudar. Jesús no los envía solos. Les da el poder para realizar Su obra. No necesitan depender de sus propias fuerzas. Están llamados a confiar en Él y compartir lo que han recibido.

Esta misión no es solo para los primeros discípulos. Es para todos los católicos. Todos están llamados a compartir la Buena Nueva. Esto no siempre significa predicar. Puede consistir en pequeños actos de bondad, oración o simplemente vivir una vida que refleje el amor de Cristo.

A veces, las personas se sienten indignas o poco preparadas para compartir su fe. Pero Jesús no elige a personas perfectas. Elige a personas comunes y les da la gracia para servir.

El 11.º Domingo del Tiempo Ordinario, Año A, es un recordatorio de que la fe está destinada a compartirse. El amor de Dios no es algo para guardarlo para uno mismo. Está destinado a darse libremente, tal como se ha recibido. Jesús llama a Su pueblo a ser Sus manos y Sus pies en el mundo.

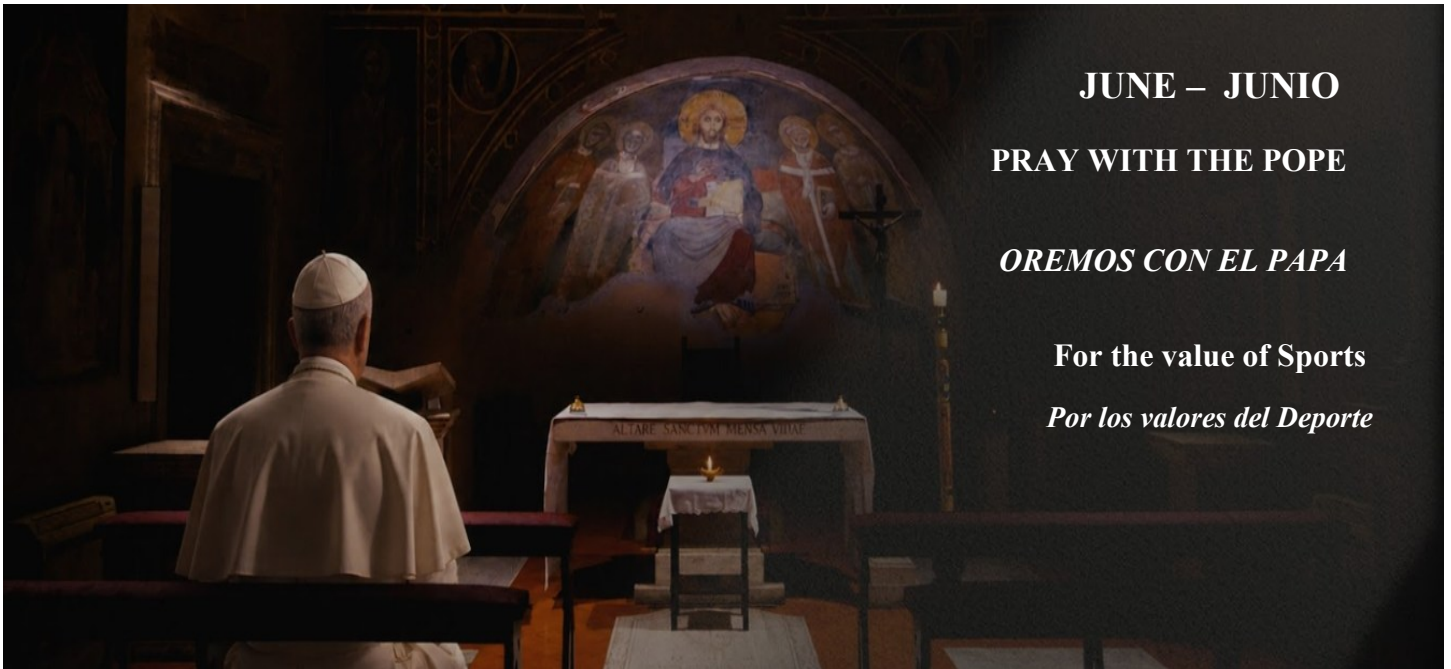

Dios sigue llamando a Su pueblo a la obediencia, la confianza y el servicio. El 11.º Domingo del Tiempo Ordinario, Año A, es un recordatorio de que la fe no se trata solo de creer, sino también de actuar. Dios invita a todos a seguirlo, compartir Su amor y ser una luz para los demás.

HAPPY FATHER'S DAY!

Magnifica Humanitas, Pope Leo XIV's first encyclical, speaks directly to one of the most urgent questions of our time: What does it mean to remain fully human in the age of artificial intelligence? With moral clarity and pastoral depth, the first American pope offers a compelling Christian response to the rise of digital technocracy and power, showing how faith, reason, and the rich tradition of Catholic social teaching can guide society through rapid technological change.

Drawing on Scripture, Church history, and the social teaching of the modern papacy, Leo XIV explores how AI is reshaping work, education, family life, politics, warfare, and public truth. While acknowledging the remarkable potential of AI, he warns against systems that reduce people to data points, labor units, or instruments of control, and offers a hopeful vision rooted in dignity, solidarity, justice, and the common good. Both intellectually substantial and accessible to general readers, Magnifica Humanitas is an essential book for Catholics, Christians, ethicists, and anyone concerned about the human future.

HUMANIDAD MAGNIFICA

La primera encíclica del Papa León XIV, aborda directamente una de las cuestiones más urgentes de nuestro tiempo: ¿qué significa seguir siendo plenamente humanos en la era de la inteligencia artificial? Con claridad moral y profundidad pastoral, el primer papa estadounidense ofrece una respuesta cristiana convincente ante el auge de la tecnocracia y el poder digitales, mostrando cómo la fe, la razón y la rica tradición de la doctrina social católica pueden guiar a la sociedad a través de los vertiginosos cambios tecnológicos.

Basándose en las Escrituras, la historia de la Iglesia y la doctrina social del papado moderno, León XIV explora cómo la inteligencia artificial está transformando el trabajo, la educación, la vida familiar, la política, la guerra y la verdad pública. Si bien reconoce el extraordinario potencial de esta tecnología, advierte contra los sistemas que reducen a las personas a meros datos, unidades de trabajo o instrumentos de control, y ofrece una visión esperanzadora arraigada en la dignidad, la solidaridad, la justicia y el bien común. Por su solidez intelectual y su accesibilidad para el público general, *Magnifica Humanitas* es una obra esencial para católicos, cristianos, especialistas en ética y cualquier persona preocupada por el futuro de la humanidad.
