THE READINGS AT MASS DON'T ALWAYS SEEM TO FIT TOGETHER

On the greatest feasts and solemnities of the Church's liturgical year, the three readings are chosen to all apply to the theme or the event being celebrated. During Ordinary Time, however, only the Jewish scriptures/Old Testament selections are chosen to go with the Gospel. The second reading makes its way independently through the New Testament letters and often appears to have a very different message.

Today's readings, however, present us with that happy coincidence of a Sunday in Ordinary Time in which all three readings are very much closely connected—a connection that we might describe as God's generosity in nurturing the people so that they can in turn "nourish" each other by their acts of service and charity.
